

TELECOMMUNICATION AND BUILDING ACCESS AGREEMENT

This Agreement is made as of the date last signed by both parties below (the "Effective Date").

In consideration of the mutual rights and obligations herein expressed, the sum of \$2.00 paid by each party to the other and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) Bell Canada and Metro Toronto Condominium corporation #1177 (the "Owner") agree as follows:

1. Owner hereby grants to Bell Canada and any Affiliates of BCE Inc. ("Affiliates" as defined in the Canada Business Corporations Act, as amended) including without limitation, those for whom Bell Canada is responsible in law (hereinafter, collectively referred to as "Bell") at no cost or charge to Bell, a non-exclusive right and license to:
 - i. enter on and gain access in, over or under the multi-unit dwelling building described in Schedule "A" (the "Building") and the common elements and other common areas of the Building, including without limitation, access to and use of, one or more rooms or other segregated spaces in, on, over or under the Building (the "Equipment Space(s)") for the purposes of: (a) making available and providing telecommunications and other communication services subject to CRTC rulings from time to time, (collectively the "Bell Services") to prospective purchasers and the owners, tenants, invitees or residents of the Building (collectively, the "Occupant(s)"); and (b) exercising non exclusive marketing and advertising rights in accordance with the terms and conditions of the Marketing Agreement Existing Condominium Buildings dated Jan 21st 2011 (the "Marketing Agreement"). Notwithstanding the foregoing, any access required to an exclusive use space ("Private Residential Space") must be previously approved by the Occupant of such Private Residential Space;
 - ii. use, construct, install, test, operate, maintain, repair, service, upgrade, modify, remove and replace Equipment in, on, over or under the Building (including without limitation, installation of Equipment for marketing demonstrations of Bell Services). "Equipment" includes but is not limited to any hardware, wire, cabling, infrastructure or otherwise (excluding conduit), which is necessary and incidental to enable and deliver and demonstrate Bell Services to Occupants provided that where material Installation, Operation or Maintenance is planned, Bell shall provide Owner with a scope of work for approval, acting reasonably, prior to Bell undertaking any action hereunder, Nothing herein limits Bell's ability to change, alter or replace the Equipment with new and/or different equipment necessary to provision the Bell Services; and
 - iii. in the event closed-circuit security television cameras and/or other video equipment (e.g., amplifiers, splitters)(collectively, the "CCTV") exists in the Building, access and to use the signal feed from such CCTV's for the purpose of injecting such feed into the Bell television channel line up. Bell will use best commercial efforts to ensure the CCTV signal feed is of good quality including, without limitation installing filters for Bell's connection to the CCTV to enhance the delivery of the CCTV signal feed to the Bell channel line up, however, Owner acknowledges that Bell makes no representation or warranty in connection with access to the CCTV or use, content or quality of the signal feed, and will incur no liability whatsoever with respect to the CCTV or the CCTV signal feed.

Nothing herein shall be construed or interpreted as granting Bell any exclusive access rights or access privileges in or to the Building to the exclusion of any other third parties.

2. Owner acknowledges that Bell shall also have access to a path and/or conduit along, over, under or on the property, from the property line to the Building (the "Conduit"), and in or through the Equipment Space(s). If Bell determines that a fibre optic cable or Equipment must be installed to the Conduit, the Building and/or the Equipment Space(s), Bell may install, maintain, and upgrade any Equipment within the Conduit at Bell's sole cost and expense. . The parties shall agree in advance in writing (both acting reasonably) upon a plan of installation, upgrade or maintenance of the Equipment within the Conduit.
3. Except in the case of emergencies, all rights of access granted and uses permitted herein shall be available to Bell during normal service hours, three-hundred and sixty-five (365) days per year subject to Bell providing reasonable notice to the Owner or its agent of its intention to enter the Building for the purposes of this Agreement.
4. The parties shall meet the installation requirements for the equipment to be installed by Bell (the "Bell Equipment") as such requirements are more specifically set forth in Schedule "B" hereto. Bell shall, at its own cost: (i) ensure that all the Bell Equipment is installed in accordance with all laws, including without limitation, relevant fire and building code requirements in force at the time of installation, and (ii) be responsible for the provision, installation, maintenance and repair of the Bell Equipment during the Term, although each individual Occupant may incur charges (at Bell's then applicable rates) specific to such Occupant's in-suite requirements. Bell covenants to repair, at its sole expense, any direct damages to the Building or the Equipment Space where such damages are caused by or arising out of any negligent act, willful misconduct or omission relating to Bell's use and occupation of the Equipment Space or the Building (the "Covenant"). Except as otherwise provided in Section 22 of the Condominium Act, 1998, the Bell Equipment will remain the property of Bell at all times, and will not become a fixture despite any legal principle to the contrary. Owner agrees that it has no legal or equitable ownership interest in the Bell Equipment nor any of Bell owned items reasonably contemplated herein and shall not make any claim to the contrary.

5. Nothing in this Agreement limits the Owner's right to repair any common elements of the Building; provided that where any such repair may affect the Bell Equipment, the Owner shall: (i) provide Bell with reasonable advance written notice to request Bell to adjust and/or move the Equipment before the maintenance or repairs are made and which notice shall contain necessary particulars to permit Bell to comment as provided for in item (ii); and (ii) provide Bell with an opportunity to recommend changes to the planned nature, timing, commencement, duration or completion of such maintenance or repairs or such other matter in respect thereof that could have an impact on the Equipment or Bell's ability to deliver the Bell Services. Despite the foregoing, where maintenance or repairs undertaken by the Owner require Bell to move or relocate any of its Equipment, Bell shall provide one Bell technician for a maximum of one eight (8) hour period; and, in the event such move exceeds the duration of eight (8) hours set out in , Bell shall pay fifty percent (50%) of any remaining costs to facilitate the movement or relocation of the Equipment as required by the Owner and provide the Owner with a written estimate of the total cost of such movement or relocation of such Equipment prior to undertaking such movement or relocation.
6. Each party represents and warrants that: (1) it has full right, power and authority to enter into and perform its covenants and obligations in this Agreement; (2) it is under no obligation, statutory, contractual or otherwise, which could prevent or interfere with the complete performance of its covenants and obligations herein; (3) it is validly organized and existing under the name indicated on this Agreement; and (4) no condominium Rule or By-law is in force that would prevent or limit either party from: (i) entering into this Agreement; and/or (ii) performing its obligations hereunder.
7. Bell Canada will be liable for and will indemnify and save harmless the Owner, its directors, officers, employees, and contractors, and those for whom it is responsible in law (collectively, the "Owner Indemnitees"), from and against any and all losses, suits, actions, causes of action, proceedings, damages, costs, claims and expenses (collectively, the "Losses") arising from physical damage to any tangible property or bodily injury, including death, to any person caused by or arising out of any negligent act, wilful misconduct or omission relating to Bell's use and occupation of the Equipment Space or the Building (including, without limitation, the Covenant set forth in Section 4 herein), provided that Bell Canada will not be required to indemnify the Owner Indemnitees to the extent any such Losses are caused by any negligent act, wilful misconduct or omission of any of the Owner Indemnitees. Notwithstanding the foregoing, in no event will Bell Canada be liable for or indemnify and save harmless any of the Owner Indemnitees from and against any indirect, special, incidental or consequential damages, including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages. The Owner shall indemnify and save Bell harmless from any loss of or damage to the Equipment caused by the Owner, its employees, agents or contractors or for those whom the Owner is responsible for in law. This Section shall survive the expiration or termination of this Agreement.
8. Subject to Section 9 herein, the term of this Agreement is effective as of the Effective Date and shall continue to run for a period of ten (10) years from the Effective Date (the "Term"). The Term will be automatically extended for additional one year terms for so long as more than ten percent (10%) of the Building's Units have active subscribers to Bell Services in the Building (the "Renewal Term") on the terms and conditions herein.
9. Either Party may terminate this Agreement, i) in writing at least ninety (90) days prior to the end of the Term or any Renewal Term, provided that less than ten percent (10%) of the Building's Units have active subscribers to Bell Services in the Building; (ii) for a material breach hereof, where such breach is not cured within sixty (60) days of receipt of written notice by the other party of such breach; or (iii) immediately, in the event the other party becomes bankrupt or insolvent, becomes unable to pay its liabilities when they become due, has insolvency proceedings commenced by or against it, makes an assignment for the benefit of its creditors, takes the benefit of any statute relating to bankrupt or insolvent debtors; or where an order is made or a resolution is passed for the winding up of the other party; or a receiver, receiver and manager, interim receiver, trustee in bankruptcy or liquidator is appointed to take possession of the assets of other party; or a creditor takes steps to issue an Application for a Bankruptcy Order against the other party; bankruptcy, reorganization, assignment, petition or appointment of a trustee or such other act of insolvency of the other party. If the action of a governmental agency requires modification of Bell's Services or the terms in which they are provided which is inconsistent with the terms of this Agreement or impairs Bell's ability to provide Bell's Services in an economical and technically practical fashion, Bell may terminate this Agreement upon thirty (30) days' written notice to Owner. Upon expiry or termination of this Agreement, Bell shall be allowed thirty (30) days to remove the Equipment at Bell's sole cost and expense and restore the Equipment Space and the effected areas of the Building to the condition that existed prior to the installation, normal wear and tear excepted.
