The installation of equipment may be used to terminate the outside wiring that enters the Building to the inside wiring that enters each Unit in the Building.

"Land" means the land municipally described above or in Appendix A attached hereto and forming a part hereof.

"Notice" means any notice, request, consent or other communication provided, required or permitted under this Agreement as contemplated in section 9 of this Agreement.

"Resident" means a person who occupies a Unit.

"Unit" means a condominium or rental unit in a Building or on the Land.

"Unit Facilities" means those of the Facilities that MTS will install in each Unit.

2. BUILDING ACCESS / INSTALLATION

- (a) The Customer shall provide to MTS, at no charge to MTS, obstacle-free and unobstructed access to, and space in or outside each Building, including but not limited to the Common Area, as required by MTS for the pre-installation, operation and, in some instances, maintenance of wiring and Facilities. If applicable, the Customer agrees that MTS may install and use a lockbox to access the Common Area door and the Customer agrees to provide MTS with a key to the Common Area for such purpose. In addition, the Customer shall assist MTS in making arrangements with a Resident in each occupied Unit for access to each Unit to install, operate and maintain the wiring required. Prior to disclosing any personal information about a Resident to MTS, the Customer shall obtain the necessary consent from the Resident to such disclosure.
- (b) MTS shall install, operate and, in some instances, maintain the wiring and Facilities required for the provision of MTS service(s). For clarity, MTS is not obligated to maintain existing copper wiring inside a Unit or copper risers from the main telephone room to a Unit. It is understood that the Customer will enter into a separate agreement or agreements with MTS in respect of the actual provision of any such services to the Buildings or, in the case of the provision of service to a Unit, the Resident of such Unit shall enter into a separate agreement or agreements with MTS for such services.
- (c) For greater certainty, any equipment, supplies, specifications, documents, materials or fibre (including but not limited to pathway access of fibre) that MTS uses or installs in the performance of this Agreement shall remain the sole and exclusive property of MTS and Customer shall have no right of property in or to the equipment, supplies, specifications, documents, materials or fibre. Customer shall not remove, deface or obscure any labels on any equipment or Facilities

which indicate that MTS is the owner thereof. Customer shall keep the equipment, wiring and Facilities free from all levies, liens and encumbrances. Customer agrees that no equipment, apparatus, circuits, devices or services not provided by MTS will be attached to, or used so as to operate with the MTS equipment, wiring and Facilities in any way, whether physical, by induction or otherwise, except as permitted by MTS.

- (d) Customer shall not, nor shall it permit others or assist others to, tamper with, alter or rearrange any part of the MTS equipment, wiring or Facilities, or otherwise fraudulently use the MTS equipment, wiring or Facilities, including, without limitation, using the MTS equipment, wiring or Facilities:
- (i) in any manner that interferes with the MTS equipment, wiring or Facilities or MTS's network or equipment, or access thereto by other persons;
 - (ii) contrary to the instructions communicated to the Customer by MTS; or
 - (iii) for any purpose or in any manner, directly or indirectly, in violation of applicable laws or in violation of any third party rights.

3. **CONFIDENTIALITY** The Customer at all times shall treat and maintain as confidential any information or data relating to this Agreement, including, but not limited to, pricing as well as technical and operating information pertaining to the Facilities, and the other terms of this Agreement, except where disclosure is required by a court of competent jurisdiction.

4. **NATURE OF RELATIONSHIP** This Agreement and the rights and obligations of the parties under this Agreement shall not constitute a partnership, joint venture or other similar relationship between the parties.

5. **MEDIA RELEASES** Notwithstanding any other provisions of this Agreement, MTS may, at its sole discretion and without seeking the prior consent of the Customer, make public by way of the issuance of a media release, all or a portion of the following information with respect to this Agreement: (i) name of Customer; (ii) type of services sold to Customer; (iii) the total value of the services sold to Customer; and (iv) the term of this Agreement.

6. **TERMINATION** MTS may terminate this Agreement upon five (5) Business Days written notice to the Customer. Either party may terminate this Agreement at any time upon providing written notice in the event of the occurrence of any of the following:

- (a) upon failure of the other party to carry out or perform any of its obligations under this Agreement, provided that the non-defaulting party notifies the defaulting party in writing of the default and the defaulting party does not remedy the default within ten (10) Business Days after receipt of such written notice, or such extended period of time after receipt of such written notice as is necessary to cure the default if the defaulting party reasonably demonstrates that such default is not capable of being cured within ten (10) Business Days;
- (b) if the other party makes an assignment for the benefit of creditors or becomes bankrupt, or takes the benefit of, or becomes subject to, any legislation in force relating to bankruptcy or insolvency, it being understood that the appointment of a receiver, receiver/manager or trustee of the property and the assets of the party is conclusive evidence of insolvency.

Upon termination of this Agreement, MTS, at its option, shall have the right, without liability for seizure or entry, to access the outside and to enter each Building and to remove any equipment, supplies, specifications, documents, materials, fibre or installed Facilities without demand and wherever they are found, including in the Units,

and the Customer shall cooperate fully with MTS to facilitate such removal. MTS shall be under no obligation to remove the Facilities from the Buildings unless MTS determines, at its sole discretion, to remove the Facilities including the Unit Facilities. Upon the termination of this Agreement, MTS shall have no further obligation to the Customer or to any Resident.

7 LIMITATION OF LIABILITY

- (a) Unless caused by the willful or negligent acts of MTS or its officers, employees, agents or contractors, MTS shall not be liable to the Customer for any damages, claims, injuries, expenses, losses or costs, notwithstanding that MTS may receive notice thereof, arising out of, or caused by, the installation, operation or maintenance of the Facilities in or outside the Common Area, Unit or Building, or MTS's entry to, or presence at, the Common Area, Unit or Buildings in connection with this Agreement.
- (b) In no event shall either party be liable for:
 - (i) any damages arising under this Agreement, regardless of the cause and whether arising in contract (including fundamental breach), tort (but excluding negligence) or otherwise, even if the breaching party has been advised of the possibility of such damages, in excess of \$25,000; or
 - (ii) any special, incidental, exemplary, consequential or indirect damages of any kind whatsoever, regardless of the cause and whether arising in contract (including fundamental breach), tort (including negligence) or otherwise, even if the breaching party has been advised of the possibility of such damages.

8. FORCE MAJEURE Without limiting or restricting the applicability of the law governing frustration of contracts, in the event either party fails to meet any of its obligations under this Agreement within the time prescribed, and such failure shall be caused, or materially contributed to, by force majeure, such failure shall be deemed not to be a breach of the obligations of such party under this Agreement, and the time for the performance of such obligation shall be extended accordingly as may be appropriate under the circumstances. For the purpose of this Agreement, force majeure shall mean any acts of God, war, natural calamities, strikes, lockouts or other labour stoppages or disturbances, civil commotions or disruptions, riots, epidemics, acts of government or any competent authority having jurisdiction, or any other legitimate cause beyond the reasonable control of such party, and which, by the exercise of due diligence, such party could not have prevented, but lack of funds on the part of such party shall not be deemed to be a force majeure.

9. NOTICES Any notice, request, consent or other communication provided, required, or permitted under this Agreement (the "Notice") shall be sufficiently given if in writing and personally delivered, or sent by facsimile, email or registered mail (except in the case of matters relating to installation services or maintenance scheduling or other similar matters issued by MTS to the Customer, which may be sent by e-mail), and addressed or sent as specified below:

A waiver shall not be effective unless it is made in writing by an authorized officer of the party.

11. ENTIRE AGREEMENT This Agreement cancels, replaces and supersedes as of its Effective Date all existing agreements and understandings, written or oral, between the parties relating to the subject matter of this Agreement. The whole contract between the parties is contained in this Agreement and no preliminary proposals, written or oral, form any part of this Agreement. This Agreement may not be amended or modified except by mutual agreement of the parties in writing.

12. ASSIGNMENT AND ENUREMENT This Agreement shall not be assigned, in whole or in part, without the prior written consent of MTS. This Agreement shall be binding upon, and shall enure to the benefit of, the parties to this Agreement and their respective successors and permitted assigns.
